Dear Sir:

Prior to examination, please amend the above-captioned patent application as follows:

IN THE CLAIMS:

Please add new Claims 12-22 as follows:

12. (NEW) The lens of Claim 1, wherein at least a portion of at least one of said first and second anterior translation members has an outer surface which is substantially flat.
13. (NEW) The lens of Claim 1, wherein at least a portion of at least one of said first and second anterior translation members has an outer surface which is generally convex.
14. (NEW) The lens of Claim 1, wherein at least a portion of at least one of said first and second posterior translation members has an outer surface which is substantially flat.
15. (NEW) The lens of Claim 1, wherein at least a portion of at least one of said first and second posterior translation members has an outer surface which is generally convex.
16. (NEW) The lens of Claim 1, further comprising:
